

SECRET SISTER INFORMATION PACKET for 2020

What is the Secret Sister Program? The Secret Sister program is an outreach ministry for women in our church fellowship. All of the ladies of our church are invited to participate. If you participate we, women's ministry, will collect your forms and draw names and that woman becomes your Secret Sister for the rest of the year. You become her silent prayer partner and her secret up-lifter. She doesn't know who you are. Likewise, someone will be caring for you in that way too. Secret Sisters are about encouraging, praying for, and supporting each other in small ways.

How do I get a Secret Sister? Attached to this letter is an information sheet called "[ALL ABOUT ME](#)". Fill out the form and return it to the women's mailbox behind the sanctuary or in the drop off box in the Narthex before Sunday, April 1st. Woman's Ministry will randomly draw names to pair up secret sisters. By April 6th you should be notified who your secret sister is and provided with her "[All About Me](#)" form.

What responsibility do I have as a Secret Sister? Once names are drawn you can immediately begin sending notes, cards, or special secret greetings that can continue throughout the year. If during the year you wish to give a special gift to your Secret Sister, there is a place in the Narthex where they can be dropped off. We haven't set a maximum dollar amount for gift giving. However, it is important that we be modest since not everyone is able to afford gift giving. Keep in mind that it is the thought that counts. Something homemade, a sweet treat, or a simple gift is an appropriate way to say "You're in my thoughts".

Make an effort to get to know your Secret Sister. (In secret of course). Get acquainted during cafe, at meetings, or church activities. If you don't know who she is, ask someone to point her out so you can get acquainted. Pray for your Secret Sister. Keep her in your thoughts. Please send a message at least once a month. Remember those special holidays, or occasions like her birthday or anniversary. Send a get well card if you know she is ill.

Thinking about our Secret Sisters daily, and sending a little "hello" card at least monthly is why the program is so enjoyable. It's especially nice to receive those notes saying you're being thought about or remembered in a special way, or for a special reason. Your faithfulness in doing that is what will make the program successful. If for some reason you are unable to continue participating in the program, let Susan know so that another "sister" can be found for the lady you were assigned.

Revealing your Secret Sister: On Saturday December 5th we will have an afternoon tea where we will reveal who everyone's Secret Sister is. More details about this will be sent out at a later date.

Above all, enjoy the experience. If you haven't been a secret sister in the past, consider being part of the program this year. Or, if you have always been in the secret sister program, we hope you will continue to participate this year. If you have any questions please call Susan Setzer 919.455.1710 and she will be happy to answer any questions you may have about this fun program.
